

" Autumn was absolutely wonderful. She fit in with our family so well. My aunt wanted to adopt her."

— Connie L., niece of client

HomeWell's
Companion
Care Program

*Because you care™ ...
about your
loved ones.*

HomeWell's
Companion™
Care Program

People you can trust

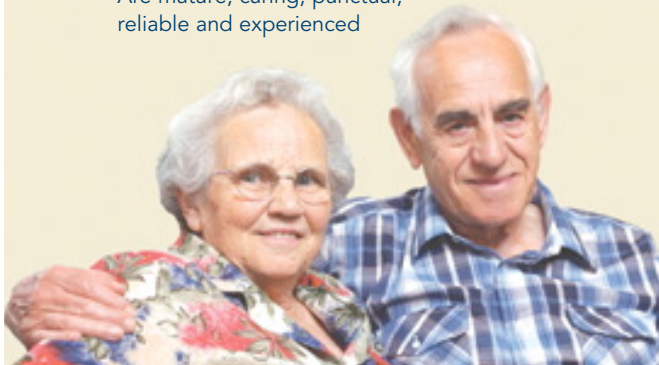

HomeWell Senior Care employs only the most qualified and caring Care Managers and Personal Assistants, because we know you need to be able to trust them.

Since our Care Managers and

Personal Assistants interact with clients and represent the trusted HomeWell name, it is imperative that our employee selection process be comprehensive.

HomeWell assures you that our Care Managers and Personal Assistants:

- Must pass a national criminal background and identity check
- Have their Social Security Number verified
- Have their employment eligibility verified
- Have a five-year employment history, verified with reference checks
- Have a minimum two years of related experience
- Have two personal references verified
- Are thoroughly interviewed
- Undergo competency testing
- Are covered by workers compensation
- Undergo a thorough orientation process
- Undergo regular performance evaluations and continuing training
- Have a valid driver's license when needed
- Are mature, caring, punctual, reliable and experienced

Because you care... HomeWell is there.™
